OUTFITTERS & FLY SHOP

APPS WORM

MATERIAL LIST

THREAD: VEEVUS 10/0 RED

HOOK: DOHIKU 645 GRUB #10

LEGS: RED, OLIVE, BLACK, OR OLIVE UNI-FLEXX

BODY: SAME STRANDS OF UNI FLEXX, WRAPPED

NOTES: A SUPER SIMPLE FLY, TO BE SURE, BUT THIS FLY IS A GREAT PRODUCER, ESPECIALLY ON THE LAKES IN COLD WATER. THE MAGIC OF THE UNI-FLEXX IS THAT IT SEEMS TO HAVE A LIFE OF ITS OWN, EVEN WHEN SITTING STILL! THIS ALLOWS YOU TO FISH THE FLY PRETTY WELL STATIC BUT STILL HAVE IT LOOK LIFELIKE. DON'T BE AFRAID TO GO FAIRLY LARGE WITH IT EITHER, UP TO A FEW INCHES TOTAL LENGTH!
